# ATTENTION SENIORS: SCAM ALERT

Individuals in Franklin County have begun targeting senior citizens with a letter promising real estate information for a fee. The mailers in question usually include a P.O. Box as the return address.

**Keep in mind, all real estate information in our office is available  
AT NO COST TO YOU.**

Any third party asking for money in exchange for this information should be viewed with skepticism.

Residents receiving the mailers have reached out to local media outlets regarding this scam. A local television station ran a story at the end of August titled, "Franklin County Auditor sending out warning regarding property tax scam."

If you receive anything in the mail promising real estate information for a fee, please contact our office at 614-525-4663. We'd be happy to provide it to you free of cost.
